

JULY 11-12, 2018 *FREE TEACHER* *WORKSHOP:* **POLYMERS FOR** **THE CHEMISTRY** **CLASSROOM**

Free two-day interactive workshop at the Syracuse Biomaterials Institute at Syracuse University

Bowne Hall, 414, 9:00 am to 5:00 pm

The Polymers for the Chemistry Classroom Workshop is available to all High School Chemistry, Physics, and Biology Teachers in NY. The workshop is sponsored in part by an NSF grant to Syracuse University.

All materials will be provided.

TO APPLY

<https://tinyurl.com/SUWorkshopApp>

For questions about the workshop, please contact Prof. Jay Henderson at jhhender@syr.edu or NYS Chemistry teacher Prin Furst at Prin_Furst@auburn.cnyric.org

Join us to learn new experiments for your classroom!

Use engaging polymer topics to address NGSS

Materials will be provided (and have been selected to be easily replaced/reordered when needed)

Continuing Teacher and Leader Education credits available (CTLE sponsored by Central STANYS)
